About the High School Experience:

- 50 player maximum (15 defensemen, 15 attackmen, 15 midfielders, 5 goalies)
- This is not a camp for the “beginner” lacrosse player. Each session will be structured for the competitive, athletic, lacrosse player who aspires to be a successful high school student-athlete.
- Players will need to have all equipment, including mouth guard. Goalies will need to be properly equipped (cup, chest and throat protector)
- In addition to outstanding, personal instruction, other forms of teaching will be included, such as breakdown of college film. See how the concepts we teach relate to the best lacrosse being played.

Should you have any other questions, feel free to contact Dan Keating at dkeating@unitedsports.net or www.keatinglacrosse.com.

Be the Best!
