

What is a Parish Mission ?

A time to empty.

A time to reflect.

An opportunity to gather as parish family to support and affirm each other.

A time to listen.

A time to be filled.

A space you make for yourself and God in the middle of a busy life.

A time to remember.

A time to forgive.

The road back.

A time to fill your heart with God.

A chance to celebrate our community with God.

It is the presence of the Father, Son and Holy Spirit alive in our lives.

It is an invitation –

and it is Jesus who invites us to

"Come and See" [Jn. 1:39]

Join us as we listen and open ourselves to these beautiful themes:

The catechism tells us that God is everywhere.

This Mission will help us to discover Him.

On the first night, ... In Life Itself

On the second night...In Suffering

On the third night ... In Each Other

First we will reflect on God's wonderful gifts to us and suggest our response. Then we will admit that life is not fair, and look: at that through the eyes of faith and common sense. Then we will spell out what the love command means to each of us ... especially in the parish.
