

St. Katharine's Marriage Preparation Registration Form

Best wishes on your engagement!

General Information about St. Katharine's Pre-Cana Program:

Our program is a two-day format. It begins on Friday evening and continues on Saturday at 9am until the 5pm Saturday vigil mass. Couples hear presentations from married couples on topics such as communication, values, balancing practical issues, intimacy, and spirituality. There is time for individual couples to discuss each topic independently. In addition, one of our parish priests reviews the theology of marriage in the Catholic Church and will answer any questions you may have about marriage as a sacrament. Finally, couples have time to review their own personal results of Foccus, an inventory used in marriage preparation.

Prior to the session, all registrants are required to complete the Foccus inventory online and bring the results to the session. You will be given a username and password when you register for our session. All other materials for the course will be provided upon arrival.

Light breakfast and lunch will be served on Saturday.
