### “8 O’Clock at Wayne” Group

Weekly A.A. meetings are held in St. Katharine’s Parish Center on Friday nights at 8:00 pm.

### Parish Nurse Ministry

One in three adults ages 65 or older fall each year. Below are four ways you can prevent falls:

1. Review your medications.
2. Reduce home hazards.
3. Have your eyes checked.
4. Exercise and stay mobile.

**Eucharistic Adoration** takes place at St. Katharine’s every Monday from the end of the 8:00 am Mass until Benediction which starts at 4:30 pm and lasts until around 4:45 pm. Spend some quiet time with the Lord. Read the divine words of Our Lord Jesus, meditate, pray or just sit quietly and listen to His words to you. You will leave the church happy and refreshed. Come and visit for as few or as many minutes as you have. You won’t be sorry. This is the best gift that you could ever give yourself.

### SKS BULLETIN INFORMATION

All Bulletin information must be to the rectory by 5pm on **Monday**. Bulletin inserts are due to the rectory at least 10 days before the date requested.

## CHRISTMAS IN JULY

Have you ever wondered about the origin of the term “Christmas in July”? Although there are many theories, one of the most reliable ones about its origin actually has Philadelphia roots. The term gained national attention in 1940 with the release of the Hollywood movie comedy *Christmas in July*. Around the same time, a pastor at the Calvary Baptist Church here in Philadelphia celebrated Christmas in July with carols and the sermon “Christmas Presents in July”. He asked his congregation to bring gifts to be sent to missions worldwide. Collecting these gifts in the summer allowed them to deliver the gifts to the mission congregations in time for Christmas.

For the past two years, we have enjoyed a touch of Christmas in July ourselves when the Bethlehem Carving Group came in July to offer their fine olivewood carved products for sale. It has been such a success over these two years that they have asked to come in July again this year; they’ll be here next weekend, 27 – 28 July. I have invited the Bethlehem Carving Group to set up shop here for the past several years, both for our benefit and theirs. From my years of experience in the Holy Land, I know that this is one of the best companies and their carvings are of the finest quality. Their wide variety of religious articles will be lovely additions to your homes and make for excellent gifts, especially for Christmas but also for other occasions. I have given their Holy Family carvings both at Christmas and for wedding and baptismal gifts; the recipients have always appreciated them.

I also know that purchasing these products from the Bethlehem Carving Group supports the Christians who are struggling to eke out a living in the land where Christianity was founded. So, I invite you do to some shopping for Christmas – or any other occasion – when representatives from the Bethlehem Carving Group come with their articles next week.

The olive wood handicraft art began in Bethlehem in the fourth century following the construction of the Church of the Nativity, built over the traditional birthplace of Jesus. The same monks who served the Church of the Nativity taught the handicraft trade of carving olive wood to the local Christian residents. This handicraft was then

passed on from one generation to the next and was perfected and mastered, thus continuing the ancient tradition of beautiful and exquisite olive wood carvings in the Holy Land. The Bethlehem Carving Group artists combine the experience and skills of the old traditions with the innovation and creativity of the new generation.

I’m sure you are familiar with the tension-filled situation in Israel and Palestine; it becomes more difficult every year for Christians to survive there. Due to the ongoing tension between the Israeli and Palestinian governments, the Christians are often left without access to good education, medical care and jobs. This is particularly true in Bethlehem, the town where Jesus was born and where millions of Christians usually go on pilgrimage every year. Bethlehem Square is particularly busy with pilgrims at Christmas time. I’ve had the privilege to be there twice during Christmas and have found it to be so inspiring to be with thousands of fellow Christians at the very spot where the Word became flesh for our salvation.

Bethlehem is located in the West Bank – a territory belonging to Palestine – and, as you surely know, it is surrounded by a tall, 30’ wall that severely limits the movement of all Palestinians – including Palestinian Christians – in and out of the city. Unable to secure jobs outside of Bethlehem, the Christians living there have established wood carving facilities in Bethlehem and rely heavily on the income from selling these olive wood carvings for their survival. So, I invite you to stop by the tables that will be set out – either between the church and the rectory or in the parish center, depending on the weather – to examine these fine olive wood carvings; you might be tempted to buy a few! In doing so, you will get a chance to shop early for Christmas and, at the same time, you will be supporting our fellow Christians living in the land made sacred by our Lord.

## ARCHDIOCESAN ANNOUNCEMENTS

Friends of Mothers' Home,

On behalf of Mothers' Home, I would like to take the opportunity to thank you and your parishioners for their gracious donations of \$1,207. Your donations help us to be able to purchase much needed items for the residents and their children as they move toward reaching their goals while here at Mothers' Home. Other monetary support, such as grants, must be used for specific reasons, but the baby bottle drives enable us to provide the additional resources needed for general operating expenses.

Mothers' Home is able to provide housing, care and resources for up to 20 pregnant women and their babies at one given time. With your help we have been able to do some very much needed updating to our building. We have also been able to provide some very insightful classes and training for the residents with the funding provided by the baby bottle drives.

Your support for our mission at Mothers' Home is so greatly appreciated. Without your willingness to participate in the baby bottle drives, we could not accomplish all that we do for these women and their babies.

Sincerely,

Brigid Risko  
Executive Director
