

For Newcomers to the Mercy Hospice Ministry

Instructions for making casseroles for Mercy Hospice. Please take a copy home and refer to these recipes in the future.

1. Take one foil pan with lid for each casserole you will be making.
2. Label the end of the pan with the name of the recipe, before you fill with any ingredients. Masking tape does not stick to the hot pan very well.
3. Follow the recipe as exactly as possible.
4. After preparing the recipe, **freeze it at home** before bringing to church.
5. Bring the **FROZEN** casserole any day and drop off at the Mercy Hospice Door located directly across from the church entrance/exit (adjacent to the Parish Center). Inside is a freezer labeled Casseroles for Mercy Hospice.
6. Collect a new foil pan across from the freezer.

Thank you for your generosity! All the women and children at Mercy Hospice need and appreciate our help. If you would like to drop off non-perishable items or toiletries these can be placed in bins at the library in the back of the church.
