**REFLECTIONS ON THE
“YEAR OF ST. JOSEPH”
In anticipation of the
Solemnity of St. Joseph**

“Where was St. Joseph buried?” a parishioner asked me recently. I thought for a moment and replied, “I don’t think we know. I have been to three places that claim to be burial sites for Mary: in Jerusalem, Ephesus and Kashmir. I have been to two burial sites for Jesus: inside the Church of the Holy Sepulcher and just outside the walls of Jerusalem. But I’ve never heard of or read about a burial place for St. Joseph.” “How, sad,” the parishioner commented. As I thought more about it throughout the day, I remembered that, according to the German mystic, Blessed Anne Catherine Emmerich, the incorrupt body of St. Joseph is buried somewhere in Bethlehem just waiting to be discovered.

As we prepare to celebrate the Solemnity of St. Joseph on this Friday, 19 March, during this Year of St. Joseph that Pope Francis announced last December to celebrate the 150th Anniversary of the declaration of St. Joseph as Patron of the Universal Church, allow me to offer some more reflections on St. Joseph. You may recall that I first wrote about this Year of St. Joseph in the 20 December 2020 Parish Bulletin. In addition to not knowing where he was buried, we know very little about the life of St. Joseph with any reliability. There are apocryphal accounts about him that speak of his being previously married and having six children from that first marriage – two daughters and four sons. These accounts also relate that after his first wife died, when he was 90 years old, St. Joseph agreed to marry Mary, whose family was too poor to provide a dowry for her, when he was selected among the elders of Nazareth by pulling the long stick, which flowered after he pulled it. That’s why he is depicted holding a lily, popularly called St. Joseph’s Lily. While these accounts have provided much material for artistic renderings of St. Joseph, they are not considered to be reliable since they are not found in the canonical books of the Bible.

The very little that we do learn about St. Joseph comes from the gospels, specifically the Gospels of Matthew, Luke and John. In them, we read that Joseph learned in a dream that Mary was with child through the power of the Holy Spirit and that he should take Mary, to whom he was betrothed, to be his wife. The angel of God further instructed Joseph to name Mary’s son, thus making the child his son by Jewish law. And, he was to name him Joshua, which means “God saves” (cf. *Mt.* 1:19-21). We are familiar with the Latin rendering of that name: Jesus. After Jesus was born in Bethlehem, the Gospel of Matthew recounts that Joseph had another dream in which an angel instructed Joseph to take Jesus and Mary to Egypt to escape Herod’s wrath. Meanwhile, the Gospel of Luke recounts that Joseph and Mary took Jesus to Jerusalem shortly after his birth to present him to the Lord, in accordance with Jewish law (cf. *Lk* 2:22-24); afterward, they returned to Nazareth. The Gospel of John indicates that Jesus was known as the “son of Joseph, from Nazareth” (*Jn* 1:45). The only other mention of St. Joseph in the Bible is also found in the Gospel of Luke where the finding of Jesus in the Temple is recounted (cf. *Lk* 2:41-52).

Although we know little about the life of St. Joseph, we hold him in such high esteem that every Catholic Church traditionally has his statue, along with a statue of Mary. Down through the ages, the faithful have turned to him for intercession and, in 1870, Pope Pius IX declared him to be the Patron of the Universal Church. Now, 150 years later, we have the privilege to reflect on his life and example during this “Year of Saint Joseph” which began on 8 December 2020 and will end on 8 December 2021. In his recent Apostolic Letter entitled *Patris corde* (“With a Father’s Heart”), Pope Francis describes St. Joseph as a beloved father, a tender and loving father, an obedient father, an accepting father; a father who is creatively courageous, a working father, a father in the shadows. In this letter, Pope Francis notes that he wrote *Patris corde* against the backdrop of the Covid-19 pandemic, which, he says, has helped us see more clearly the importance of “ordinary” people who, though far from the limelight, exercise patience and offer hope every day. In this, they resemble Saint Joseph, “the man who goes unnoticed, a daily, discreet and hidden presence,” who nonetheless played “an incomparable role in the history of salvation.”

In his Apostolic Letter, Pope Francis highlights “the creative courage” of St. Joseph, which “emerges especially in the way we deal with difficulties.” “The carpenter of Nazareth,” explains the Pope, “was able to turn a problem into a possibility by trusting in divine providence.” He had to deal with “the concrete problems” his family faced; in this way, he can be an inspiration to us all.

At the conclusion of his Letter, Pope Francis provides a prayer to St Joseph, which he encourages all of us to pray:

*Hail, Guardian of the Redeemer,
Spouse of the Blessed Virgin Mary.
To you God entrusted his only Son;
in you Mary placed her trust;
with you Christ became man.
Blessed Joseph, to us too,
show yourself a father
and guide us in the path of life.
Obtain for us grace, mercy, and courage,
and defend us from every evil. Amen.*

As we continue to celebrate this Year of St. Joseph, I invite you to turn to him often in your prayer. He can be a great source of encouragement, inspiration and courage and we can all use this during these challenging times, can't we?

YOUTH GROUP

The next 7th-8th grade Youth Group will meet this Tuesday in the parish center at 3:00-4:00pm.

PARISH ACTIVITIES

Rosary for an End to the Coronavirus

As we continue to struggle through the ongoing coronavirus pandemic, one of our parishioners is leading a rosary at 7:00pm in church every Tuesday. All are encouraged to come and pray to our Blessed Mother for her intercession to her Son, Our Lord, that he may have mercy on us during these challenging times!

Mercy Hospice Casseroles and Groceries

Last week, we delivered 50 casseroles and groceries to the women and children of Mercy Hospice. Thank you to all who donated and a special "thank you" to the Youth Group for their continued support.

Store bought family size casseroles, or homemade frozen casseroles are always needed. Recipes, directions and pans are located at the Aberdeen Avenue door of the church. For more information, please contact Jane Dwyer at 610-306-9171, Jane Dooner at 610-505-1436, Susan Wiener at 610-331-3847 or Vicki Warner at 610-937-1648.

New HVAC Units for Parish Center

Last December, the four HVAC units on the parish center roof began to fail, one after another. They are all original equipment (and are 21 years old) so it was clear that rather than repair them one more time, it was time to replace them. The new units were installed this past week. The large one, which provides HVAC to the gymnasium, costs \$78,000; the other three smaller units cost \$5,900 apiece. This is a major capital expense (\$96,000) and, since the school uses the parish center extensively, half will be paid from the funds raised at last year's Leap for SKS fundraiser; the other half will be paid with parish reserves. Thank you for your continued support of our parish!

SCHOOL NEWS

Dear SKS Parishioners.

This is a message I shared with our SKS Families two weeks ago in an email and it is on my blog. The message is on two topics of vital importance to teach our children of today. This week I will cover a person's *Positive Digital Footprint*.

Next week, I will cover the idea of *Tattle Telling Vs Telling (Being an Upstander)*.

Positive Digital Footprint

One of my favorite sayings to the students is: "*At SKS, we do the right thing, because it is the right thing to do.*" I would bet you a pretzel if you asked the first half of this quote to a student that has been here a few years, they would be able to finish the quote.

Last week, I was finally able to reach every homeroom in grades 4 - 8 with two very important messages that will follow your children for the rest of their lives. I am sending this email to the entire school because it is so important for all parents to be aware of what was said and the need for you to follow up with a discussion with your child about what was discussed. Parents of children in grades KG - 3, you need to start talking about these two challenges even at this young age. Your follow up to these two messages will support the partnership that exists between parents and teachers at SKS to support each child fully. It takes the SKS Village, right?

The two topics that were covered in each class asked some important questions:

1. What's your *Digital Footprint*? What does your entire *Digital Footprint* look like? Are you proud of it and would you show it to your parents/grandparents? Here's just some of what I discussed with the students:

A *Digital Footprint* is a term we as a faculty learned from a speaker several years ago. A person's digital footprint is a capsule summary of every text, email, group text/chat, picture, video, website, Snapchat, Facebook, Instagram, tiktok, Roblox, etc. that each person uses etc. The question I posed to each student is this: If we were to pull up on a giant movie screen for everyone to see, including your parents and grandparents, every single text, group chat, website visited, email, Snapchat, etc. from your personal digital footprint, would you be proud of it? My educated guess based on our students' body language and specifically, their eyes, told me that most likely many students would not be. The older the grade I spoke too, the more telling the body language I saw. As parents you have every right to examine your child's digital footprint and it is my hope that you do check it and often. The news media is full of examples of adults misusing technology and having a poor digital footprint. Can you really expect your child to navigate this slippery slope without your monitoring it? Please don't let a child tell you they have the "right to privacy" card on you. When they start paying for their phone/cable bills on their own, then they can claim a right to privacy. I went deeper with this, examining situations that can get students into "a lot of hot water" by misusing technology here at school. I covered a lot of ground at the meetings and I plan to do a follow up with each grade in the spring. This digital footprint notion takes constant reinforcement by all of us. I also made sure they understand that there can be serious consequences for the misuse of technology and inappropriate online behavior here at school. This paragraph is the tip of the iceberg with the ground I covered at the meetings.

Parents need to ask their child constantly; What does your Digital Footprint look like?"

Take care,

Bud
